BID EVALUATION REPORT (Technical)

Construction of Government Polytechnic for Women at Rehan District Kangra (HP); (SH:- Construction of Building Portion including Water Supply, Sanitary Installation, Electrical Installation and Site Development, Boundary Walls & Rain Water Harvesting System).

Package No.: CLC/RLC-5 (Women's Polytechnic at Rehan)

Invitation for Bids No.: CLC/04/2017-18; Published on 30-Nov-2017

National Competitive Bidding (NCB)

1. INTRODUCTION

1.1 General

India has applied for a loan from Asian Development Bank (ADB) toward the cost of "Himachal Pradesh Skill Development Project". It is intended that part of proceeds of this loan will be used for eligible payments for the procurement of Works "Construction of Government Polytechnic for Women at Rehan District Kangra (HP); (SH:- Construction of Building Portion including Water Supply, Sanitary Installation, Electrical Installation and Site Development, Boundary Walls & Rain Water Harvesting System); Package No.: CLC/RLC-5 (Women's Polytechnic at Rehan)". The ADB's single stage-two envelope bidding procedure having National Competitive Bidding (NCB) based on post-qualification has been adopted for this procurement. The cost estimate for the work is INR 322 million. National Competitive Bids (NCB) were invited vide Invitation for Bids (IFB) No.: CLC/04/2017-18; Published on 30-Nov-2017 by the Public Works Department, Government of Himachal Pradesh, represented by Chief Engineer Kangra Zone, Dharamshala, Himachal Pradesh.

1.2 Publicity

IFB was published in one (1) English language newspaper of National circulation namely "Hindustan Times" on 30th November, 2017, and one (1) local Hindi language newspaper namely "Amar Ujala" on 30th November, 2017, and was posted on Notice Board of the Employer's office. The IFB was also uploaded at the freely accessible public domain of Public Works Department, Government of Himachal Pradesh "hppwd.gov.in".

Besides IFB the complete Bidding document was also uploaded on 30th November, 2017 on the freely accessible public domain of the same website. The bidders were allowed to download and use the bidding document for bidding purpose. The bidding document was made available for sale from 30th November, 2017 from the office of the Client until the deadline for bid submission.

Six prospective bidders purchased the bidding document (on upfront payment) from the office of the Employer and participated in the bidding procedure. Client received no other request for issuance of the bidding document; the bidders used the same purchased bidding documents that were made available to the bidders for this purpose.

1.3 Pre-Bid Meeting

While studying the bidding document as a step towards preparation for Pre-bid meeting, Client discovered inconsistencies and typographical mistakes. Taking prudent action an Addendum (Addendum 1) was issued on 13th December, 2017 requiring i) the corrections in the qualification requirements in the published IFB (ie Correction in IFB in line with Bidding Document), ii) the replacement of Bill of Quantities (BOQ) in its entirety, and iii) Rescheduling the date of Pre-bid meeting and Deadline for submission to 21st December 2017 and 19th January, 2018 respectively.

A pre-bid meeting was held for bidders on rescheduled date at the pre-defined place (ie Office of the Executive Engineer, Division Nurpur, Himachal Pradesh Public Works Department (HPPWD), Post Office-Nurpur, District-Kangra, Himachal Pradesh-176 202) on 21st December, 2017 at 11:00 hour IST. Representatives of prospective bidders participated in the Pre-bid meeting. The clarifications on the bidding document and procurement procedure were issued on 29th December, 2017.

Consequent upon the bidders' queries, another Addendum (Addendum 2) was issued on 4th January, 2017 providing missing information in the Bill of Quantities (BOQ).

The Clarifications on the Bidding Document and both Addendums were uploaded on the same freely accessible public domain of the website of Public Works Department, Government of Himachal Pradesh "hppwd.gov.in. The bidding document had no provision of site visit.

1.4 Submission of Bids

As stated above, the date and time for the submission of bids was originally fixed to 12th January, 2018 at 11:00 hrs IST which was rescheduled via Addendum 1 to 19th January, 2018, 11:00 hrs IST. The deadline for bid submission was adhered to as per re-schedule and the reception of bids was closed by 19th January, 2018 at 11:00 hrs IST accordingly.

The schedule for bid opening was originally fixed on 12th January, 2018 at 11:30 hrs IST which was rescheduled via Addendum 1 to 19th January, 2018, 11:30 hrs IST. By the scheduled date and time, following six (6) bidders submitted their bids.

Bidder No 1: Mattewal Co-op L/C Society Ltd., Amritsar (hereinafter "***Mattewal***");

Bidder No 2: Surindera Traders, Dharamshala – This is a Joint Venture between "Surindera Traders, Dharamshala" and "Rabina Enterprises Pvt. Ltd., Jalandhar" (hereinafter "***Surindera***");

Bidder No 3: Unipro, Ambala Cantt. – This is a Joint Venture between "Unipro, Ambala Cantt." and "Unipro Techno Infrastructure Pvt. Ltd., Chandigarh" (hereinafter "***Unipro***");

Bidder No 4: Karam Dass Nirash, Sundernagar, Mandi (hereinafter "***Karam Dass***");

Bidder No 5: RSP Builders, Pathankot (hereinafter "***RSP***");

Bidder No 6: Satinder Mahajan, Pathankot (hereinafter "***Satinder***");

1.5 Bid Opening and Evaluation Committee

A Bid Evaluation Committee comprising senior officers of Public Works Department, Himachal Pradesh was established for the purpose. The Bid Evaluation Committee members are:

1. Mr. I S Uttam - Executive Engineer: Chairman
2. Executive Engineer (Electrical Division): Member

Executive Engineer
Nurpur Division
H.P.P.W.D. Nurpur

3. Mr. Ajay Jha - Divisional Accounts Officer: Member
4. Mr. Arun Kumar – Superintendent II: Member
5. Mr. Kuldeep Singh Thakur – Assistant Engineer, Rehan: Member
6. Mr. Ashok Kumar – Divisional Head Draftman: Member
7. Mr. Sanjeev Gupta – Senior Assistant: Member

The Committee's decisions have been made on the basis of objective assessments of the bids and documents submitted by respective bidder, and were unanimous.

1.6 Bid Opening

Bids were opened as per Addendum 1 at rescheduled time 11:30 hour on 19th January, 2018 at the pre-defined place (ie. Office of the Executive Engineer, Division Nurpur, Himachal Pradesh Public Works Department (HPPWD), Post Office-Nurpur, District-Kangra, Himachal Pradesh-176 202), by the Bid Evaluation Committee in the presence of bidders' representatives present. The bidder's name, the presence or absence of bid security and their amounts and date of validity were announced and recorded. The Record of Bid Opening was prepared and signed by the committee members and bidders' representatives present. The submitted bids were first examined to check whether the bidders have submitted the Technical bid and the Price bid in separate sealed covers. The bids were examined for presence or absence of "Letter of Technical Bid" and "Affidavit of True and Correct Information". The Letter of Technical Bid was signed by three or more members of the committee. The unopened and sealed price bids were kept under safe custody. A copy of the Record of Bid Opening and Attendance sheet are attached as **Appendix 1 & Appendix 2**.

1.7 Basic Data

Basic Information pertaining to the bidding is summarized and attached under Basic Data Sheet **Appendix 3**.

2. EXAMINATION FOR COMPLETENESS OF BIDS

2.1 Bid Documents

The Technical bids were examined to check whether the participating bidders had submitted all the documents and information required by the bid documents. The documents covered for the examination are:

- (i). Letter of Technical Bid;
- (ii). Bid Security;
- (iii). Affidavit of True and correct Information;
- (iv). Propriety of Signature and Power of Attorney;
- (v). Forms of Bid for technical Proposal;
- (vi). Joint Venture Agreement, if required;
- (vii). Documents establishing the eligibility of bidders and goods;
- (viii). Bidder's Technical proposal comprising of Method statement, Time schedule, mobilization schedule;

- (ix). Documents required for assessing the qualification of bidders; and
- (x). Certificate of Incorporation/ Memorandum and Article of Association of the entity/ Audited Balance Sheets, Copy of PAN Card.

2.2 Confirmation of Authorization to Sign the Bid (Power of Attorney)

All the bidders, except *RSP* and *Karam Dass* submitted adequate Power of Attorney/ Authorization in favour of signatory of the bid on its behalf. Committee found all the 5 bids except *RSP* complying the requirements stipulated in this respect.

Bid evaluation committee observed that the bidder *Karam Dass* is a proprietary entity and as evidenced by documents in the bid, the bid is signed by the Proprietor hence no Power of Authority/ Authorization is required.

Bid evaluation committee, based on the documents submitted with the bid, observed that the bidder *RSP* comprises of Partnership entity. However the bid neither contains any Authorization/ Power of Attorney nor a Partnership deed.

Two Bidders *Surindera* and bidder *Unipro* both comprises of Joint venture and submitted JV Agreement between the parties.

2.3 Affidavit of True and Correct information

All the bidders except *RSP* submitted with their bids an mandatory "Affidavit of True and Correct Information" in the format provided in the Bidding document. The non submission of mandatory "Affidavit of True and Correct Information" is a cause of rejection.

Besides the Bid of Bidder *RSP* is found to be without filled-in Formats on Financial information (ie. FIN-1, FIN-2, FIN-3 and FIN-2).

All the six bidders, except as stated above, submitted the documents and information as required in the bidding documents and generally sufficient to proceed with the bid evaluation and to determine the responsiveness of the respective bids. The Evaluation committee considered it appropriate to continue with bid evaluation and to examine whether the bidders meet all required criteria.

The results of checking for completeness of bid documents are presented in attached as Appendix 4.

3. DETERMINATION OF SUBSTANTIVE RESPONSIVENESS OF BIDS

3.1 Eligibility of Bidders and Goods

In clause 4 and 5 of the instruction to bidders and clause 2.1 of section-3, it is specified that the bidder, its sub-contractors should have nationality of an eligible Country, and the goods and services to be supplied should be from the eligible countries of the ADB.

The bidders submitted certificate of its incorporation/ certificate of registration with various Government Authorities and / Memorandum & Article of Association/ Partnership deeds evidencing their nationality as Indian, and confirmed that the bidder, its subcontractors and suppliers have nationalities of eligible countries.

Evaluation committee determined that all the bidders qualify the eligibility requirement of ADB member country and are eligible for bidding.

Executive Engineer
Nurpur Division
H.P.P.W.D. Nurpur

3.2 Conflict of Interest

All the bidders have confirmed that the bidders including sub-contractors and suppliers do not have any conflict of interest in accordance with Clause 4 of the Instruction to the Bidders and have not been declared ineligible under the Employer's country law or UN Security Council.

3.3 Bid Validity and Bid Security

As specified in the bid document, all the six bidders submitted their bids valid for a period of 120 days from the date of submission. However Committee observed that the Bid of bidder **Mattewal** reads the Bid Validity period as "90 or 120 days". Committee considered it an inadvertent typographical error and accepted the bid.

Bidding document also required a Bid security of specified amount and valid for a period of 28 days beyond the bid validity period (ie up to 15th June, 2018). The bidder's offered the bid security complying with specified amount and valid until 15th June 2018 or beyond as per bid requirements.

The bidders *Surindera* submitted with its bid the Bid security in the form of two Bank Fixed Deposit Receipts (FDR) which are monetary instrument obtained (issued by the Bank) upon upfront payment of the requisite amount to the bank. The said Bank FDR, unless encashed or returned back to the bidders, shall continue to remain valid and encashable.

All other five bidder submitted with its bid the Bid security in the form of Bank Guarantee issued by the Bank.

Bid evaluation committee considered that all the bids comply with the bid requirements in this respect.

3.4 Authorization to Sign the Bid and Joint Venture Agreement

As stated above (para 2.2) the bidder *Karam Dass* submitted its bids in the individual capacity. The documents of registration with government authorities evidences that the bidder is a proprietorship entity and doing business in the individual capacity, and is therefore competent to commit the bid. The committee did not require any Authorization or Power of Attorney in respect of bidder *Karam Dass*.

Other 4 bids, except *RSP*, contained Power of Authority/ Authorization favouring the signatory of the bids authorizing them to commit the bid.

Two Bidders *Surindera* and bidder *Unipro* comprising the Joint Venture also submitted Power of Attorney/ Authorization in favour of Signatory of their bids duly authorized by the representatives of respective JV partners. The bidders also submitted JV Agreement which are found to be adequate and satisfactory.

The 5 bids except *RSP* are therefore considered to be properly signed and sealed in accordance with the Instructions to Bidders, by the authorized representative to sign the bid on their behalf and the bids were found adequate in this respect.

3.5 Compliance with Employer's Requirements

The Bidders have not mentioned any comment on the Drawings or technical specifications or Employer's requirements as stipulated in Section 6 of the Bidding document. Also the bidders did not mention any deviation to the Employer's requirements. As a token of acceptance of

Employer's requirements the bidders signed and sealed the Bidding document as issued by the PWD and returned with their bid.

3.6 Technical Deviations

None of the bids contained technical deviations from the Technical requirements stipulated in the bid document. As stated above (para 3.5) the bidders signed and sealed the Bidding document as issued by the PWD and returned with their bid that confirms the acceptance to the Drawings and specifications and technical requirements contained in the bidding document as issued by the Employer.

3.7 Time for Completion and Terms of Payment

None of the bids contained any deviation from the stipulated Time for completion or the Terms of payment defined in the bidding document. As stated above (para 3.5) the bidders signed and sealed the Bidding document as issued by the PWD and returned with their bid that confirms the acceptance to the terms and conditions specified in the bidding document as issued by the Employer.

3.8 Sub-contractor

None of the bidder proposed any sub-contractor in the bid therefore evaluation of Sub-contractor was not required.

3.9 Bidder's Technical Proposal

The bidder submitted Construction Schedule, Method statement, Mobilization Schedule and Site organization. The same were reviewed by the committee and found adequate and acceptable. All the bidders are found to be substantively responsive to the bid requirements. The results are tabulated in **Appendix 5**.

4. DETAILED EVALUATION

A detailed evaluation of both of the bids were carried out in accordance with the Qualification Criteria stipulated in the Bidding Document.

4.1 Financial Criteria

The bidding document specifies the minimum required qualification criteria to assess the bidder's financial soundness and financial resources mobilization capability as follows;

1. Submission of audit balance sheet and income statement for last three financial years. As minimum, an applicant's net worth (in case of JV net worth of each partner) calculated as the difference between total assets and total liabilities should be positive;
2. Minimum average annual construction turnover of **INR 215 million** calculated as total certified (by Chartered Accountant) payments received for contracts in progress or completed, within last three (3) years;
3. The Cash flow requirements a) Sufficient to meet its current contract commitments, plus b) **INR 15 millions** to meet the estimated expenditure requirement for this work under consideration;

Executive Engineer
Nurpur Division
H.P.W.D. Nurpur

The bidders, except *RSP*, submitted documents sufficient to evaluate the bidder's financial capacity and to determine its position. The Evaluation committee evaluated the bids on the basis of the documents and information submitted with the respective bid.

As stated above (para 2.3) the bid of Bidder *RSP* found to be without filled-in Financial Forms (FINS) and the evaluation of the said bid is based on the Balance sheets and other financial information otherwise available in the bid.

The evaluation committee observed that the bidders *Mattewal*, *Surindera* and the bidder *Unipro* including their JV partners, have more Average Annual Turnover than the minimum required and demonstrate of having Financial resources (proportionate in case of JV partners) required in the bidding document. However the bidders *Karam Dass* and *Satinder* though have adequate financial resources yet failed to demonstrate the minimum required Average Annual Turnover; and the bidder *RSP* neither has required minimum Financial resources nor demonstrate of achieving minimum Average Annual Turnover as required.

The committee therefore determined the bidders *Mattewal*, *Surindera* and the bidder *Unipro* to be qualified to the requirements whereas the bidders *Karam Dass*, *RSP* and *Satinder* are determined to be un-qualified as per bid provisions.

The results evaluation of bidders' Financial capabilities is tabulated in **Table - 3 of Appendix 6**.

4.2 Experience Criteria

The requirements of bids stipulations are as follows:

Contracts of Similar Size and Nature: Participation in at least one contract that has been successfully or substantially completed within the last **five years** and that is similar to the proposed works, where the value of the Bidder's participation exceeds **INR 160 million**. The similarity of the Bidder's participation shall be based on the physical size, nature of works, complexity, methods, technology or other characteristics as described in Section 6 (Employer's Requirements).

The bids are examined as per the above criteria and based on the bidders' submissions it is observed that all the bidders demonstrate of having requisite experience. The nature of work executed was similar to that proposed in the bidding document and the cost of works executed exceeded that stipulated requirements; all the six bidders are therefore determined to be qualified in this respect.

The results evaluation of bidders' experience is tabulated in **Table - 4 of Appendix 6**.

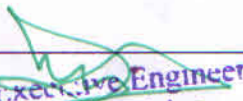

4.3. Personnel

The Bidding document under clause 2.5 of section 3 requires the bidders to demonstrate the availability of personnel for key positions as stipulated. The bids were evaluated in respect of availability of Personnel with required qualification and experience.

Based on the bidders' submission it is observed that all the six Bidders proposed the personnel with adequate qualification and experience. The evaluation committee concluded all the bidder to be qualified in this respect.

The details of required positions and bidder's proposal are tabulated in **Table - 5 of Appendix 6**.

4.4. Equipment

Executive Engineer
Nurpur Division
H.P.W.D. Nurpur

The Evaluation committee concluded the bids of all the six bidders as generally meet the criteria of minimum required equipments.

5. CONCLUSIONS AND RECOMMENDATIONS

Bidder No 1: Mattewal Co-op L/C Society Ltd., Amritsar;

Bidder No 3: Unipro, Ambala Cantt. –a Joint Venture between “Unipro, Ambala Cantt.” and “Unipro Techno Infrastructure Pvt. Ltd., Chandigarh”;

It is therefore recommended that the aforesaid bidders be declared qualified to undertake this contract and request ADB to concur with Evaluation committee's recommendations so that the price bids of the aforementioned bidders can be opened.
