Subject:-

Transfer and posting- Instrutions thereof.

It has come to the notice of undersigned that fake transfer orders are being circulated on social media by fabricating old transfer order issued by the department using the A.I. Technology or with the help of similar apps, which has been viewed seriously .

It is therefore directed that in general,if you receive a message regarding Government orders from a social media source, always verify such order with official government websites/ email. Further, as seen in past incidents, fake orders often reuse content or contain subtle errors. Moreover, if it doubts, it is best to contact the order issuing authority directly rather than share or act on unverified information/ order.

If such incident is noticed in future, the same may be brought to the notice of this office and necessary action be initiated against the content creator of such fake post without delay.

This may be given personal attention please.
