Timely submission of Renewal Cases of the Contractor.

(F.Y.)
Your attention is invited to this office letter No. PW/CTR/32-20/Gen.instr./2012-3839-3880 dated 11.04.2013 on the subject cited above vide which the instructions regarding timely submission of the renewal cases by the contractors has been issued. It has been made clear in the enlistment orders that the renewal cases of enlistment of the contractors should be submitted within two months before the expiry of validity, failing which their renewal/enlistment shall stand automatically cancelled.

2/14
However, it has been noticed that the contractors are submitting the renewal application throughout the year and even after one or two years of the expiry of the validity which is not proper. It is once again made clear that the renewal cases, the validity of which has expired on 31.03.2014 should apply for renewal before 31.03.2014. After 31.03.2014 no renewal case shall be considered in any case and the contractors will have to apply afresh for enlistment. This may please be brought to the notice of all concerned and a copy of these instructions may also be displayed on the notice boards of all circles/Division under this zone.
