14.03.2016 on the above captioned subject.

f-69

In this regard, it is further requested that the compliance of the provisions of Section 8A of EPF & MP Act, 1952 and Para 30 of EPF Scheme, 1952 may please be ensured. Section 8A of EPF & MP Act and Para 30 of EPF Scheme, 1952 describe that:-

1596
13/5/16
551
13/5/16
8-A. Recovery of moneys by employers and contractors- (1) [The amount of contribution (that is to say the employer's contribution as well as the employees' contribution in pursuance of any Scheme and the employer's contribution in pursuance of the Insurance Scheme)] and any charges for meeting the cost of administering the Fund paid or payable by an employer in respect of an employee employed by or through a contractor may be recovered by such employer from the contractor, either by deduction from any amount payable to the contractor under any contract or by any amount payable by the contractor. (2) A contractor from whom the amounts referred to in sub-section (1) may be recovered in respect of any employee employed by or through him, may recover from such employee the employer's contribution [under any Scheme] by deduction from the basic wages, dearness allowance and retaining allowance (if any) payable to such employee.

(3) Notwithstanding any contract to the contrary, no contractor shall be entitled to deduct the employer's contribution or the charges referred to in sub-section (1) from the basic wages, dearness allowance, and retaining allowance (if any) payable to an employee employed by or through him or otherwise to recover such contribution or charges from such employee.

Para 30. Payment of contributions- (1) The employer shall, in the first instance pay both the contribution payable by himself (in this Scheme referred to as the employer's contribution) and also, on behalf of the member employed by him directly or by or through a

contractor, the contribution payable by such employee referred to as the member's contribution).

(2) In respect of employees employed by or through a contractor, the contractor shall recover the contribution payable by such employee (in this Scheme referred to as the member's contribution) and shall pay to the principal employer the amount of member's contribution so deducted together with an equal amount of contribution (in this Scheme referred to as the employer's contribution) and also administrative charges.

(3) It shall be the responsibility of the principal employer to pay both the contribution payable by himself in respect of the employees directly employed by him and also in respect of the employees employed by or through a contractor and also administrative charges.

You are also requested to set a mechanism for checking of proper compliance of the provisions of EPF Act by checking wages registers/muster roll with the ECR deposit (can be seen at the EPFO website link: http://search.epfoservices.in/est_search.php) as the issue of coverage of contract workers has been flagged as an area of top most concern and priority by the Government of India.

Further, a software has been developed through which a login has been provided to both the category of establishments-Principal employers-those which are registered with EPFO and those which are not registered with EPFO like the Government Departments. After authentication through One Time Password (OTP), the principal employer can enter details of contractors and work order, which will be segregated PIN code wise and will go to the respective portal of RO/SRO and can be viewed online, as and when updated. This facility is available through official website of EPFO <http://www.epfindia.gov.in> For Employers-For Principal Employers or at <http://www.epfindia.com/site/en/PrincipalEmployer.php>.

It may also be ensured that each and every worker working in the area of construction activity must be enrolled under the EPF Act and Universal Account Number (UAN) have been allotted to all the concerned and their activation so that the updates can be reached to the beneficiary.

Keeping in view the above it is requested to issue necessary guidelines to all the concerned officers/officials of your department to ensure proper compliance.

Yours faithfully,

(Uma Mandal)

Subject:
Sir/Madam,
23/5/2016

Coverage of Contract Workers under EPF & MP Act, 1952-regarding.

The issue of coverage of contract workers has been flagged as an area of top most concern and priority by the Government of India. EPFO has decided following action plan to cover the contract workers under the Act:-

- All the agencies and contractors to whom the work is outsourced are covered under the Act.
- All the personnel supplied by the agencies and contractors are extended benefits of provident fund etc.
- All the personnel engaged get eligible benefits commensurate to the wage they get.

Considering that our aim is to reach out to the last employee, and for that a software has been developed through which a login has been provided to both the category of establishments- Principal employers- those which are registered with EPFO and those which are not registered with EPFO like the Government Departments. After authentication through One Time Password (OTP), the principal employer can enter details of contractors and work order, which will be segregated PIN code wise and will go to the respective portal of RO/SRO and can be viewed online, as and when updated. This facility is available through official website of EPFO <http://www.epfindia.gov.in> – For Employers – For Principal Employers or at http://www.epfindia.com/site_en/Principal_Employer.php.

*1087
23/5/16* Further, the principal employers is liable to ensure compliance in respect of construction/other contractual workers deployed by them through contractor/sub contractors. It is also impressed upon the principal employer that merely giving code numbers of contractors will not be suffice. To ensure compliance of construction workers engaged through contractor/sub contractors, they should not only ensure separate ECRs containing PF account numbers of their workers but also copies of wages/salary register and attendance register. Remittances of PF and ECRs should be verified by Principal employers from EPFO's website before releasing the bills to avoid manipulations/misappropriation of PF dues by their contractors/sub contractors..

24/5 Principal employers are also required to mention PF account number and UAN number on I-card of each worker. UAN numbers of all workers be got activated so that the workers can get their E-pass books and even know about deposit of PF by contractors last month alongwith PF balance just by giving a-missed call from registered mobile.

*6/7/3
24/5/16* Keeping in view your goodself is requested to enter details of all contractors and work orders engaged by your department as detailed above and ensure extension of Social Security benefit to every worker engaged by your department through contractor or sub-contractor.

Yours faithfully,

(Uma Mandal)
Regional P F Commissioner-I
