

HIMACHAL PRADESH
PUBLIC WORKS DEPARTMENT

NO:- PW/CTR/32-20/Genl. Instructions/2012- 1877- 1976

Dated:- 23/4/12

From :

Engineer-in-Chief.

To:

All the Superintending Engineers,
in HP-PWD.,

FR
J.C.(F&A)
Subject:-

Splitting-up of works.

PWD Manual of orders Para 6.44 clearly specifies that only that authority can allow/approve split-up of a work who is competent to accord technical sanction to whole of the work/ project.

CEP527
CD
95/3

Therefore, no efforts should be made to split-up the big projects into smaller job either to avoid e-tendering or to avoid publication through press or to keep the amount below certain amount so as to avoid approval of higher authorities.

It is further clarified that the Executive Engineers are not authorized to split-up the works at their own level even if the technical sanction of whole project rests under his authority.

It has been further observed that copies of the split-ups accorded by the Superintending Engineers are not endorsed to the Zonal Chief Engineer. It may be ensured that necessary split-up sanctions alongwith prescribed proforma must be endorsed to the Chief Engineers for his information/record.

These instructions may be strictly enforced.

Engineer-in-Chief,
HP-PWD, Shimla-171002.

Copy for information forwarded to:-
1. All Zonal Chief Engineers in HP-PWD.
2. All Executive Engineers, in HP-PWD.
